

Logger/Logger.h

```
graph TD; A[Logger/Logger.h] --> B[iostream]; A --> C[fstream];
```

A diagram illustrating the relationship between a header file and two source files. At the top, a gray rectangular box with a black border contains the text "Logger/Logger.h". Two blue arrows originate from the bottom center of this box. The left arrow points down and to the left to a white rectangular box with a gray border containing the text "iostream". The right arrow points down and to the right to another white rectangular box with a gray border containing the text "fstream".
